Fig. 14

Fig. 15

The diagram illustrates a 16-track magnetic tape format, divided into two sections of 8 tracks each, labeled "4 TRACKS" at the top. The tracks are numbered 1 through 16 from left to right. The format is organized into rows for different channels: VIDEO, AUDIO, and SAT. The top section (tracks 1-8) is labeled "Upper" on the right, and the bottom section (tracks 9-16) is labeled "Lower" on the right. An upward arrow on the left indicates the "TRACING DIRECTION OF HEAD".

Track Allocation:

- Tracks 1-8 (Upper Section):**
 - Tracks 1, 3, 5, 7: VIDEO
 - Tracks 2, 4, 6, 8: AUDIO
- Tracks 9-16 (Lower Section):**
 - Tracks 9, 11, 13, 15: VIDEO
 - Tracks 10, 12, 14, 16: AUDIO

Channel Details:

- VIDEO:** Each track contains a single vertical bar representing the video signal.
- AUDIO:** Each track contains a series of vertical bars of varying heights, representing the audio signal. The bars are labeled with "A" followed by a number (e.g., A 1, A 2, A 3, A 4).
- SAT:** Each track contains a series of vertical bars of varying heights, representing the SAT signal. The bars are labeled with "Tr" (Track) followed by a number (e.g., Tr 1, Tr 2, Tr 3, Tr 4).

Tracing Direction: An upward arrow on the left indicates the "TRACING DIRECTION OF HEAD".
